Students from the Sydney University Engineering Faculty will visit our Yr 3-6 students today and share with them some of the projects they have been working on. We look forward to our students’ reports on this visit.

We will have a catch-up tennis session tomorrow – Tuesday. Dave will be here from 9am until 10.30am. Students are to wear (or bring) their joggers and just stay in normal summer uniform.

Kinder Orientation’s final day is tomorrow, 24th November, as a full day. We will celebrate the completion of orientation with a whole school assembly at 1.45pm in the hall. The assembly will continue until 2.15pm.

Following assembly we would like everyone to join us at our Tuesday activities and see how our projects are going. The students are very excited to share these with you.

Our gymnastics program has been going extremely well. All of the students are learning some very valuable lessons on gymnastic movement and seeing what they are capable of achieving with these new skills.

Please join us for the P&C Meeting on Wednesday at 7pm.

Canteen this Friday – Hawaiian Chicken Burgers + recess + drink for $4.00. **ORDERS MUST BE IN THE BOX BY WEDNESDAY 3pm.** Money can be brought in on Friday.

Thank you to Damien & Fiona Carthew for the donation of two new snake repellers. We hope they will deter any slippery visitors but everyone must remain vigilant and be aware of snakes anywhere around the village.

The School Presentation Night will be on Wednesday 9th December. Please put this in the diary/on the calendar as the end of year has a habit of becoming very busy very fast.
