Respect
Integrity
Responsibility
The K-2 class have been working on things starting with ‘T’. It was very exciting to have some of the students bring in their pets that have a ‘TAIL’.

Edward & Molly

Erin & Patchy

Claire & her quails Snow, Cheeky and Gem

Maths Online
The students in Year 3-6 have ALL been signed up to this program, as mentioned at the P&C by Mrs Dews. If the students could spend at least a 20 minute period per week accessing this at home, and showing parents what they are doing, it will amaze them how much they can achieve. Students who use this site regularly are going to make more progress of course.

www.skoolbo.com.au
Be savvy and do yourselves a big favour and do at least 3 sessions a week on Skoolbo and you too will notice a big difference in how much easier things like spelling, recall of times tables, identifying English words and using them will become.

All students will have a login name and password. Please see Mrs Dews for this information.

~~~~~~~~~~~~~~~~~~~~~~~~
We again invite parents to make an annual voluntary contribution towards the cost of providing all textbooks, stationery, equipment and online registrations used for the children’s education. The amount per student will remain the same as last year - $40 per student, 2 x children total $60 or a family of 3 children total $90. Please send this to school in a sealed envelope with your family name clearly written on the outside.

Respect  Integrity  Responsibility
